To ensure safe and successful programs, Community Nature Connection will adhere to the following COVID-19 Guidelines established by the Centers for Disease Control and Prevention (CDC).

- Registration for all programs is required.
- If you are experiencing any COVID-19 related symptoms, please stay home.
- Temperature checks will be conducted at the beginning of every program.
- Masks are required to be worn at all times during the length of the program.
- Hand sanitizer and extra masks will be available at each program.
- 6 feet social-distancing to be maintained by all participants, especially with non-household members.

Capacity limits for programs:
- Transit to Trails: 20 person limit
- All other programs: 15 person limit
